

A+ Pro Yeast

The rich, light golden color of A+ Pro Yeast reflects the inherent benefits as a nutrient dense combination of spent yeast and grain derived gluten proteins. This nutrient delivers a highly digestible protein with low fiber.

Another feature in addition to the digestibility of this nutrient is an enhanced palatability, uniquely suited for young and growing animals.

UNMATCHED VALUE BENEFITS INCLUDE:

- Improved rate of gain
- Improved feed efficiency
- Improved milk production
- Enhanced rumen metabolism
- Enhanced intestinal health
- Yeast is an effective toxin binder
